

HIGHLIGHT OF THE YEAR

SPECIAL COMMENDATION AWARD FOR BOARD RECRUITMENT AND RENEWAL

On 18 October 2013, AMP was awarded the *Special Commendation Award for Board Recruitment and Renewal* by the Charity Council at the Charity Governance Awards ceremony. Under its board recruitment and renewal process, AMP requires the compulsory retirement of at least two directors every other year to make way for new directors to be elected into the Board. The selection of individuals who show potential to contribute to AMP and the Board is made by the Nominating Committee.

To ensure there is constant leadership succession, a group of potential AMP leaders is concurrently groomed and developed through AMP's youth wing, Young AMP. The AMP Board also utilises the Online Board Assessment Survey administered by the Social Service Institute to evaluate its effectiveness.

These policies underscore the importance of quality leadership and renewal in AMP. They also facilitate in generating fresh and innovative ideas and strategies to meet the changing needs of its clients and beneficiaries. AMP aims to maintain its high governance standards in all aspects of its service to the community.
