

HIGHLIGHTS OF THE YEAR

Out of the Box Conference

In October 2018, AMP launched a new professional conference series, the **Out of the Box (#OOTB) Conference**, aimed at providing a platform to help young professionals learn and grow from experienced professional speakers and peers; bringing together like-minded professionals from related industries to discuss and generate ideas on contemporary developments; and building a dynamic community of thought leaders and professionals from different sectors who can learn from one another.

The inaugural #OOTB conference took on the topic of fintech as it is one of the key drivers in Singapore's aim to transform itself into the world's first Smart Nation. A total of 130 young professionals and individuals were given insights into the fintech industry, as well as the possibilities it offers. The conference featured four expert speakers – Mr Teo Ser Luck, entrepreneur and investor; Mr Umar Munshi, founder of crowdfunding and investment platform Ethis Ventures; Ms Pauline Sim, a Senior Vice President with the United Overseas Bank; and Dr Hazik Mohamed, Managing Director of

Stellar Consulting Group. It concluded with a panel discussion on *The Future of Banking*.

AMPx

Rebranding of AMP & Launch of AMPx

In January 2019, AMP rebranded itself from the Association of Muslim Professionals to the acronym AMP. This move underscores our renewed commitment to serving and making an impact on all communities and our collective future together, while still retaining our focus on the Malay/Muslim community in Singapore.

In line with this, we also launched AMPx, a platform aimed at serving the community's interests by creating an ecosystem of learning and sharing, in March 2019. AMPx has four key

areas: idea generation, networking, incubation of community start-ups and training. Its long-term plan is to create a community of professionals invested in uplifting the community and one another.

Among some of the initiatives under AMPx include the Learning Circle workshops, Kopi With... sessions and the Out of the Box conference.

AMP Charity Golf Tournament 2019

A total of 120 golfers participated in the AMP Charity Golf Tournament on 19 March 2019 to raise funds for the clients and beneficiaries under our various programmes and services. Among the golfers was Mr Masagos Zulkifli Masagos Mohamad, Minister for the Environment and Water Resources, and Minister-in-charge of Muslim Affairs, who graced the event as Guest of Honour. The event raised close to \$250,000 through the sale of golf flights, outright donations and matching grant received. Funds raised through this event were channelled towards reaching out to and helping more individuals who may require AMP's services.
